Your keys will be in a lockbox on the door of your unit(s). Please see your confirmation for your lockbox code. Dial in the code, and then slide the little “door” on the side of the lockbox to access the key. Remove the key from the lockbox to gain entry into your unit. The remaining keys (and amenity cards/passes) will be in the unit. When checking out, return one key to the lockbox after locking the door, and leave the other keys and amenity card(s) in the unit.

Your unit number is the building number followed by the condo number. Example: Unit # 280-9 is Building #280, Condo #9.

Please note that there are duplicate unit numbers for buildings 250 and 260. Please double check your unit number to see if it is designated with the “CC” for Crow Creek Drive or “WW” for Woodlands Way.

If going to buildings 11, 12, 13, 14, 15 or 23 make second left, and use map to find building.
